THE 4TH BIENNIAL AUSTRALIA AND ASIA PACIFIC CLINICAL ONCOLOGY RESEARCH DEVELOPMENT (ACORD) WORKSHOP

2010 ACORD WORKSHOP

**SEPTEMBER 12 -18, SUNSHINE COAST,
QUEENSLAND, AUSTRALIA**

The ACORD Workshop provides clinicians in all cancer sub-specialities a unique opportunity in oncology education with its international focus, provision of hands-on collaboration and guidance by a world renowned Faculty. ACORD aims to train clinicians in excellent clinical trial design and propel the region forward in oncology research.

Participants are selected based on a competitive application process, including submission of a clinical trial protocol to be developed over the course of the Workshop. Fellowships are available for participants in training or financial hardship.

Applications will be open online at www.acordworkshop.org.au from 7 December 2009 – 26 February 2010.
